LICENSE AGREEMENT

THIS AGREEMENT is made as of the 15th day of November, 2004, in New York, New York, by and between the Major League Baseball Players Association, an unincorporated association under the laws of the State of New York, with offices at 12 E. 49th Street, New York, New York 10017 (hereinafter "MLBPA"), and Affinity Club Network, LLC a New Jersey corporation, with offices located at 750 Route 73 South Street, Marlton, NJ 08053 (hereinafter "Licensee").

WHEREAS, MLBPA is acting on behalf of all of the active baseball players of the National League and the American League who have entered into a Commercial Authorization Agreement with the MLBPA (hereinafter "players"); and who, upon being polled by the MLBPA, have not indicated they have granted a license for products which would conflict with the license granted herein; and

WHEREAS, MLBPA in such capacity has the right to negotiate this Agreement and to grant rights in and to the logo, name and symbol of MLBPA identified in Schedule A hereto (the "Trademarks"), and the names, nicknames, numbers, likenesses, signatures, pictures, playing records, and/or biographical data of each player described in Schedule A herein as part of a group (hereinafter "the Rights"); and

WHEREAS, Licensee desires to use the Rights and/or the Trademarks on or in association with the manufacture, offering for sale, sale, advertising, promotion, and distribution of certain products identified in Schedule B (the "Licensed Products") in the countries identified in Schedule B (the "Licensed Territory"); and

WHEREAS, MLBPA is willing to grant Licensee such right to use the Rights and/or the Trademarks on the Licensed Products in the Licensed Territory in accordance with the terms and conditions recited herein.

NOW, THEREFORE, in consideration of the mutual promises, covenants and conditions herein contained, it is hereby agreed as follows:

1. GRANT

(a) MLBPA hereby grants to Licensee and Licensee hereby accepts the non-exclusive, non-transferable, non-assignable license, without the right to grant sublicense, to use the Rights and Trademarks solely within the Licensed Territory in connection with the marketing, promotion, advertising, distribution, sale and administration of the Licensed Products and/or in association with products, prizes and premiums offered in connection with the Licensed Products, as approved by MLBPA. The Licensed Products may be offered for sale through direct mail materials, freestanding inserts, internet web sites, print, radio and/or television advertisements, and via telemarketing organizations or representatives through "up-sells" only. Licensee shall not knowingly permit the Licensed Products to be sold or distributed outside of the Licensed Territory.

(b) MLBPA represents and warrants that it has the authority to grant the rights licensed herein. MLBPA makes no representation that it has the authority to grant, nor does it grant herein, the right to utilize team symbols, insignias or logos, or the name, symbol, or logo of any other licensee of MLBPA, or reproductions of any products produced by or for any other licensee of MLBPA. Accordingly, it is understood by the parties hereto that if any of the foregoing are to be utilized in connection with the exercise of the license granted hereunder, including without limitation the likenesses of players utilizing team logos, symbols or insignias, it will be the responsibility of Licensee to obtain all necessary permissions for the use of such material.

(c) Unless specifically authorized in advance by MLBPA in writing, Licensee agrees to utilize with equal prominence the name and likenesses of a minimum of one hundred (100) players during the initial License Period (as defined herein) and during each additional License Period, if any, as provided herein. Licensee must provide the MLBPA with thirty (30) days' written notice of the names of all players Licensee intends to use on the Licensed Products prior to manufacture of such Licensed Products, and Licensee may not use the name or likeness of any player on the Licensed Products without the prior written consent of MLBPA, which shall not be unreasonably withheld.

(d) The license granted by MLBPA to Licensee hereunder does not include the right to, and Licensee shall not in any manner, use (or purport to grant others the right to use) the Trademarks or the Rights for the purpose, in whole or in part, of promoting any service or product other than the Licensed Products. Nor does this license convey the right to feature or highlight any individual player apart from the group. In the event Licensee is interested in highlighting any player in securing the personal endorsement or services of any player, Licensee understands and agrees that such will require the personal approval of the individual player involved and a separate payment to such player, independent of and in addition to all payments due to the MLBPA pursuant to this Agreement. Licensee agrees to comply with MLBPA Highlight procedures and with all written guidelines and/or instructions supplied to Licensee pertaining thereto (including use of the MLBPA's form Highlight Agreement which shall be provided to Licensee).

(e) Nothing contained in Section 1(d) above shall prevent Licensee from utilizing the names and/or likenesses of the players in a non-endorsement and/or non-testimonial manner in connection with materials advertising and promoting the Licensed Products ("Advertising and Promotional Material"), or in connection with premiums or promotional products offered for sale or given away to purchasers of the Licensed Products ("Premium Products"); provided, however, that unless specifically authorized other wise in advance by MLBPA in writing, the names and/or likenesses of a minimum of six (6) such players are utilized with equal prominence on the Advertising and Promotional Material and Premium Products.

the initial License Period and during each additional License Period, if any, as provided herein; and Licensee agrees to make the players who are utilized in connection with such materials so as not to highlight any particular player or group of players to the exclusion of others.

(f) All rights not expressly granted to Licensee in this Agreement are specifically reserved to MLBPA.

2. TERM AND OPTIONS

(a) This Agreement shall be effective and shall continue for the License Period set forth on Schedule B, unless sooner terminated pursuant to a provision of this Agreement.

(b) MLBPA hereby grants to Licensee an option (the "Option") to extend the term of this Agreement for an additional period as reflected on Schedule B ("Second License Period"). In order to exercise the Option, Licensee must provide MLBPA with written notice of its intention to exercise such Option and such written notice must be received by MLBPA on or before October 1, 2006. The attempted exercise of the Option shall be void and of no effect if, at the conclusion of the First License Period, (i) Licensee has breached or is then in breach of any of its obligations under this Agreement; (ii) Licensee has failed to make full and timely payments to MLBPA as required herein; (iii) Licensee has failed to make Net Sales during calendar year 2006 sufficient to generate Actual Royalties equal to or greater than Licensee's Guaranteed Minimum Royalty for 2006; (iv) the cancellation rate for annual memberships was twenty percent (20%) or higher during calendar year 2006; or (v) the renewal rate for annual memberships was below thirty three percent (33%) in calendar year 2006. Licensee's performance in each License Period shall be pursuant to the same terms and conditions recited in this Agreement.

3. ROYALTIES

(a) Licensee agrees to pay MLBPA a royalty at the percentage set forth on Schedule B based on Net Sales (as defined in Subsection 3(b) below) of the Licensed Products by Licensee (the "Actual Royalty"). Such Actual Royalty shall accrue when the Licensed Products are sold, distributed, billed and/or paid for, whichever occurs earlier, to a third party not affiliated with Licensee. For purposes of this Agreement, "affiliated" means related in any manner through direct or indirect ownership or control and includes joint venture arrangements.

(b) "Net Sales" shall mean the gross revenues earned by Licensee from membership fees, members' purchases and sales of other Sports and Entertainment Membership Clubs, as described on Schedule B, less amounts actually refunded to customers due to cancellations or product returns.

(c) For each License Period of this Agreement, Licensee agrees to pay MLBPA a non-refundable guaranteed minimum royalty in the amount(s) and in the manner set forth on Schedule B (the "Guaranteed Minimum Royalty"). If, upon termination or expiration of this Agreement or any License Period thereof, the total royalties paid and/or payable by Licensee to MLBPA during each such License Period is less than the Guaranteed Minimum Royalty, Licensee shall immediately pay the amount of such difference to MLBPA. Actual Royalty payments based on Net Sales made during any term of this Agreement shall be credited against the Guaranteed Minimum Royalty due for the License Period in which such Net Sales were made.

4. STATEMENTS AND PAYMENTS

(a) Licensee shall deliver to MLBPA, at its offices in New York, New York, or to such other address as MLBPA may direct, on the thirtieth (30th) day following the end of each calendar quarter during any License Period of this Agreement, and on the thirtieth (30th) day of the month following termination or expiration of this Agreement, a complete and accurate statement of the Actual Royalties owed MLBPA for each category of Actual Royalties (1) through (3) listed on Schedule D, for the immediately preceding calendar quarter (or portion thereof) (the "Royalty Period"). Said statement shall be certified as accurate by an officer of Licensee and shall include all information requested on Schedule C hereto, and any other information MLBPA may from time to time reasonably request. Such statements shall be furnished to MLBPA whether or not any Licensed Products have been distributed and/or sold, and whether or not Actual Royalties have been earned during the Royalty Period. Within thirty (30) days of its receipt of notice from MLBPA, Licensee shall arrange to submit all royalty reports required hereunder electronically, in a format prescribed by MLBPA.

(b) The amount in United States dollars shown in Licensee's royalty statements as being due MLBPA shall be paid simultaneously with the submission of such statements. In the event that the amount credited for returns during any Royalty Period exceeds Licensee's royalty obligation to MLBPA for such period, Licensee may use such amount as a credit against future royalty obligations of Licensee during the Term of this Agreement. In no event, however, shall the amount credited for returns during any Royalty Period be used upon termination or expiration of this Agreement as a credit against past royalty obligations of or royalty payments made by Licensee. In no circumstances shall MLBPA be obligated to pay any amount to Licensee upon termination or expiration of this Agreement on account of credits accrued by Licensee for returns.

to:

or such other address as the MLBPA may direct.

(d) The receipt and/or acceptance by MLBPA of any of the statements furnished or royalties paid hereunder to MLBPA (or the cashing of any royalty checks paid hereunder) shall not preclude MLBPA from questioning the correctness thereof at any time and, in the event that any inconsistencies or mistakes are discovered in such statements or payments, they shall immediately be rectified by Licensee and the appropriate payment shall be made by Licensee.

(e) All payments made hereunder shall be in United States dollars drawn on a United States bank, unless otherwise specifically agreed upon by the parties.

(f) Time is of the essence with respect to all payments to be made hereunder by Licensee. Interest at a rate of the lesser of one and one-half percent (1½%) per month or the maximum rate allowed by law, compounded daily, shall accrue on any amount due MLBPA hereunder from and after the date upon which the payment is due until the date of receipt of payment.

5. AUDIT

(a) Licensee agrees to keep accurate books of account and records at its principal place of business covering all transactions relating to the license granted herein and pertaining to the items required to be shown in the Licensee's royalty statements to be submitted pursuant herein, including without limitation, invoices, correspondence, banking, financial and other records. MLBPA and its duly authorized representatives shall have the right, upon reasonable notice, at all reasonable hours of the day, to audit Licensee's books of account and records, and all other documents and material in the possession or under the control of Licensee, with respect to the subject matter and the terms of this Agreement and to make copies and extracts thereof. In the event that any such audit reveals an underpayment by Licensee, Licensee shall immediately upon demand remit payment to MLBPA in the amount of such underpayment plus interest calculated at the rate of the lesser of one and one-half percent (1½%) per month or the maximum rate allowed by law, compounded daily, calculated from the date such payment(s) were actually due until the date such payment is actually made. In the event that any such underpayment is greater than Five Thousand Dollars (\$5,000), or five percent (5%) of the royalties due for the period audited, whichever is less, Licensee shall reimburse MLBPA for the costs and expenses of such audit.

(b) All books of account and records of Licensee covering all transactions relating to the license granted herein shall be retained by Licensee for at least two (2) years after the expiration or termination of this Agreement for possible inspection by MLBPA.

6. QUALITY, NOTICES, APPROVALS, AND SAMPLES

(a) The Licensed Products, Advertising and Promotional Material and the Premium Products shall be well designed and of high quality, and Licensee shall operate, and ensure that all third parties working with Licensee pursuant to Section 16 hereof operate, consistent with sound business practices and with a high degree of professionalism and integrity so as to enhance the value of the Rights and Trademarks as well as the image and reputation of the MLBPA and its players. Licensee shall also ensure that its business operations are in full compliance with all applicable laws and regulations.

(b) Licensee may not advertise, offer or promote the Licensed Products until MLBPA has approved in writing the specific format of each Licensed Product to be offered, including but not limited to the terms and conditions of membership, membership pricing structures, cancellation policies, etc. Licensee may not use, offer for sale, sell, advertise, promote, ship and/or distribute any Advertising and Promotional Material or any Premium Products until it has received written approval of same in the manner provided herein from MLBPA. Such approval shall not be unreasonably withheld. Should MLBPA fail to approve in writing any of the submissions furnished it by Licensee within fourteen (14) business days from the date of submission thereof, such failure shall be considered to be a disapproval thereof.

(c) When distributing or selling Premium Products, Licensee shall utilize an MLBPA licensee to provide such products where there is an MLBPA licensee capable of doing so. Where that is not the case and a Premium Product is to be manufactured or provided by an entity that is not an MLBPA licensee, such product shall be subject to the MLBPA approval process outlined below, and Licensee shall be responsible for ensuring that such Premium Product has been approved by MLBPA for use in connection with the Licensed Products.

(d) Before commencing or authorizing any entity not licensed by MLBPA to commence the design or development of any Premium Product, Licensee shall submit at its own cost to MLBPA, for approval, a written description of the concept of such Premium Product, including full information on the nature and function of the proposed item and a general description of how the Rights and/or the Trademarks and other material will be used thereon. Licensee shall next submit at its own cost to MLBPA, for approval, complete layouts and descriptions of the proposed Premium Product showing exactly how and where the Rights and the Trademarks and all other artwork and wording will be used. Finally, Licensee shall submit at its

own cost to MLBPA, for approval, actual proofs or pre-production samples of the proposed Premium Product. Licensee shall not proceed beyond any of the above stages where approval is required without first securing the express written approval of MLBPA.

(c) Upon commencement of distribution or shipment of any Advertising and Promotional Material and/or any Premium Products, after all required approvals have been given by MLBPA, Licensee shall submit, at its own cost, to MLBPA two (2) sets of the Advertising and Promotional Material and two (2) sets of any Premium Product.

(f) After the required approval has been secured from MLBPA, Licensee shall not depart from the specifications, quality or appearance thereof in any material respect without first obtaining the express written approval of MLBPA. Licensee shall make submissions to MLBPA and obtain approvals in the manner required above each time new or revised concept, layouts, descriptions, artwork, models and/or samples are created, developed and/or adopted by and/or for Licensee.

(i) In order to ensure that the Licensed Products, the Advertising and Promotional Material and the Premium Products are offered for sale, sold, advertised, promoted, shipped and/or distributed as set forth herein, in the event that the quality standards and/or trademark and copyright usage and notice requirements herein referred to are not met, or in the event that said quality standards and/or trademark and copyright usage and notice requirements are not maintained throughout the License Period, then, in addition to any other rights available to MLBPA under this Agreement or otherwise, upon receipt of written notice from MLBPA, Licensee shall immediately discontinue any and all offering for sale, sale, advertising, promotion, shipment and distribution of any Licensed Products, Advertising and Promotional Material or Premium Products in connection with which the said quality standards and/or trademark and copyright usage and notice requirements have not been met.

7. ARTWORK

(a) The form and content of all artwork for use in any media shall be subject to the express written approval of MLBPA prior to its use by Licensee in connection with the Licensed Products. If Licensee desires to use artwork previously approved by MLBPA in a different context or for a different Premium Product or Advertising and Promotional Material, Licensee shall first submit samples of such proposed use to MLBPA for approval thereof.

(b) Except as specifically provided in Sections 18(c) and (d) of this Agreement, notwithstanding any rights otherwise granted to Licensee by state or federal trademark or copyright laws or otherwise, Licensee shall not without express written permission of MLBPA directly or indirectly use, or authorize others to use, in any manner whatsoever, any of the artwork or designs or other material involving the Rights and/or Trademarks, or any reproductions thereof, following the expiration or termination of this Agreement, notwithstanding their invention or use by Licensee, and Licensee shall destroy all such artwork and/or designs and/or other material and furnish to MLBPA satisfactory evidence of their destruction.

8. OWNERSHIP OF RIGHTS

(a) It is understood and agreed that MLBPA is the sole and exclusive holder of all right, title and interest in and to the Rights and/or the Trademarks.

(b) Nothing contained in this Agreement shall be construed as an assignment to Licensee of any right, title and/or interest in or to the Rights and/or the Trademarks, it being understood that all right, title and interest relating therein are expressly reserved by MLBPA except for the rights being licensed hereunder.

(c) No license is being granted hereunder for any purpose or as to any products, services or material other than the Licensed Products and only in the Licensed Territory. MLBPA reserves for such use as it may determine all rights of any kind other than the rights herein licensed to Licensee.

(d) Licensee shall not use the Rights and/or the Trademarks other than as permitted herein and, in particular, shall not incorporate the Rights and/or the Trademarks in Licensee's corporate or business name in any manner whatsoever. Licensee agrees that in using the Rights and Trademarks, it will in no way represent that it has any rights, title and/or interest in and/or to the Rights and/or the Trademarks other than those expressly granted under the terms of this Agreement. Licensee further agrees that it will not use and/or authorize the use, either during or after the term of this Agreement, of any configuration, trademark, trade name or other designation confusingly similar to the Rights and/or any of the Trademarks.

(e) Notwithstanding any rights otherwise granted to Licensee by state or federal trademark or copyright laws or otherwise, Licensee shall not without express written permission of MLBPA directly or indirectly use, or authorize others to use, in any manner whatsoever, any artwork or designs or other material involving the Rights and/or Trademarks, or any reproductions thereof following the expiration or termination of this Agreement, notwithstanding their invention or use by Licensee, and Licensee shall destroy all such artwork and/or designs and/or other material and furnish to MLBPA satisfactory evidence of their destruction.

9. GOODWILL AND PROMOTIONAL VALUE

(a) Licensee recognizes the value of the goodwill associated with the Rights and/or the Trademarks and acknowledges that the Rights and/or the Trademarks, and all rights therein and the goodwill pertaining thereto, belong exclusively to MLBPA. Licensee further recognizes and acknowledges that the Rights and/or the Trademarks have acquired secondary meaning in the mind of the public. Licensee agrees that during any License Period of this Agreement, or thereafter,

it will not dispute or attack the title or any rights of MLBPA in and to the Rights and/or the Trademarks or the validity of the license granted herein.

(b) Licensee agrees that its use of the Rights and/or the Trademarks shall inure to the benefit of MLBPA and that Licensee shall not, at any time, acquire any rights in the Rights and/or the Trademarks by virtue of any use it may make of the Rights and/or of the Trademarks. Licensee hereby assigns to MLBPA any and all trademarks and trademark rights in the Trademarks and/or Rights created by such use, together with the goodwill of the business in connection with which such Trademarks are used.

(c) Licensee acknowledges that MLBPA is entering into this Agreement not only in consideration of the royalties paid hereunder but also in recognition of the intrinsic benefit to proper maintenance of the reputation of MLBPA and the players as a result of the offering for sale, sale, advertising, promotion, shipment and distribution of the Licensed Products by Licensee in accordance with the provisions of this Agreement. Licensee therefore acknowledges that its failure to manufacture, offer for sale, sell, advertise, promote, ship and distribute the Licensed Products in accordance with the provisions of this Agreement, including without limitation its obligations to protect and enhance the value of the Trademarks and the Rights, will result in immediate and irreparable damage to MLBPA in connection with promotion of the Rights and/or the Trademarks and/or to its members, and that there will be no adequate remedy at law for the failure by Licensee to abide by such provisions of this Agreement. Accordingly, Licensee agrees that in the event of any breach by Licensee, in addition to all other remedies available to it hereunder, MLBPA may at its sole option commence an action in any court having jurisdiction or an arbitration proceeding, and shall be entitled to injunctive relief against any such breach as well as such other relief as any arbitrator(s) or court with jurisdiction may deem just and proper.

10. TRADEMARK AND COPYRIGHT PROTECTION

(a) The license granted herein is conditioned upon Licensee's full and complete compliance with the provisions of the trademark and copyright laws of the United States and any foreign country or countries in the Licensed Territory.

(b) Licensee agrees to include on all Advertising and Promotional Material and to permanently affix to all Premium Products the MLBPA logo and appropriate legends, markings and/or notices as required by MLBPA, to give appropriate notice to the consuming public of MLBPA's right, title and interest therein. Licensee agrees that, unless otherwise specified in writing by MLBPA, each usage of the Trademarks shall be followed by either the TM or the ® Trademark Notice symbol, as appropriate, and the following legend shall appear adjacent to the MLBPA logo on each piece of Advertising and Promotional Material and Premium Product:

Copyright © MLBPA

Licensee also shall include on the Premium Products, and on each piece of Advertising and Promotional Material, the following notice:

Official Licensee --
Major League Baseball Players Association

(c) Licensee agrees that it will not use, distribute or sell any Premium Products or distribute any Advertising and Promotional Material which does not carry notices meeting the requirements of this Agreement.

(d) Licensee shall use no other markings, legends and/or notices on or in association with the Premium Products or on or in association with the Advertising and Promotional Material other than those specified above and such other markings, legends and/or notices as may be specified by MLBPA, without first obtaining MLBPA's express written approval.

(e) MLBPA has the right, but not the obligation, to obtain at its own cost, appropriate trademark and copyright protection for the Rights and/or the Trademarks in association with the Licensed Products in any and all countries of the Licensed Territory, in the name of MLBPA or in the name of any third party selected by MLBPA.

(f) Licensee shall keep appropriate records (including copies of pertinent invoices and correspondence), and advise MLBPA, relating to the dates when the Licensed Products are first offered for sale in each country of the Licensed Territory. If requested to do so by MLBPA, Licensee also agrees to supply MLBPA with samples, facsimiles or photographs of the relevant trademark usages and other information which will enable MLBPA to complete and obtain trademark applications or registrations, or to evaluate or oppose any trademark or design applications, registrations, or uses of third parties.

(g) Licensee agrees that it shall not at any time within the Licensed Territory or anywhere else in the world apply for any copyright or trademark protection which would affect MLBPA's ownership of any rights in the Rights and/or the Trademarks, nor file any document with any governmental authority or assert directly or indirectly any right or take any other action which could affect MLBPA's ownership of the Rights and/or the Trademarks, or the publicity rights of the players, or knowingly aid or abet anyone else in doing so.

(h) Licensee agrees to cooperate in all reasonable respects with MLBPA in protecting and defending the Rights and/or the Trademarks. In the event Licensee becomes aware of any claim or problem arising with respect to the protection of the Rights and/or the Trademarks in the Licensed Territory, Licensee shall promptly advise MLBPA in writing of

the nature and extent of same. MLBPA has no obligation to take any action whatsoever in the event that any claim or problem arises with respect to the protection of the Rights and/or the Trademarks.

11. INFRINGEMENTS

(a) Licensor agrees to cooperate with MLBPA in the enforcement of MLBPA's right in the Rights and/or the Trademarks. Licensee agrees to notify MLBPA in writing of any infringements or imitations by third parties of the Rights, the Trademarks, the Licensed Products and/or the Advertising and Promotional Material which may come to Licensee's attention. MLBPA shall have sole right to determine whether or not any action shall be taken on account of any such infringement or imitation. MLBPA, if it so desires, may commence or prosecute any claims or suits in its own name or in the name of Licensee, or join Licensee as a party thereto; provided, however, that Licensee shall not be required to incur more than nominal out of-pocket expense as a consequence of being joined as a party by MLBPA. Licensee agrees not to contact any third party, not to make any demands or claims, and not to institute any suit or take any other action on account of such infringements or imitations without obtaining the prior express written permission of MLBPA.

(b) With respect to all claims and suits involving the Rights and/or the Trademarks, including suits in which Licensee is joined as a party, MLBPA shall have the sole right to employ counsel of its choosing and to direct the handling of the litigation and any settlement thereof. MLBPA shall be entitled to receive and retain all amounts awarded to MLBPA as damages, profits or otherwise in connection with such suits.

12. INDEMNIFICATION

Licensor hereby agrees to defend, indemnify and hold harmless MLBPA, its members, officers, directors, employees and agents, from and against any and all claims, demands, causes of action and judgments including those alleging fault on the part of MLBPA (hereinafter collectively referred to as "Claims") arising out of or in connection with Licensee's operations, including but not limited to the following:

(a) Licensee's design, distribution, shipment, advertising, promotion, offering for sale and/or sale of the Licensed Products, the Advertising and Promotional Material and/or the Premium Products, including but not limited to any allegedly unauthorized use by Licensee of any trademark, copyright, patent, process, idea, method, device, logo, symbol, insignia, name, term or material other than those licensed herein, but excluding any claims respecting any allegedly unauthorized use by Licensee of the Rights and/or the Trademarks as authorized herein;

(b) Licensee's use of any logos, symbols, insignias, names, terms or other material claimed to be the property of any Major League Baseball club(s) or any other entity affiliated directly or indirectly with any Major League Baseball club(s); and

(c) any alleged defect(s) of the Licensed Products, the Advertising and Promotional Material or the Premium Products.

With respect to the foregoing indemnity, Licensee agrees to defend and hold harmless MLBPA, its members, officers, directors, employees and agents, at no cost or expense to them whatsoever, including, but not limited to, attorneys' fees and court costs. Under no circumstances shall Licensee have the right to settle or otherwise compromise any claim without the prior written consent of MLBPA. MLBPA and its members shall have the right to defend themselves in any such action or proceeding with attorneys of MLBPA's own selection.

13. INSURANCE

Throughout the License Period and for one (1) year after expiration or termination of this Agreement, Licensee shall obtain and maintain at its own cost and expense from a qualified insurance company acceptable to MLBPA, a broad form comprehensive general liability insurance policy naming MLBPA and its members as additional insureds (the "Policy"). Such insurance shall provide coverage to MLBPA for any and all claims arising out of or in connection with the operations of the Licensee. The Policy shall specifically include coverage for claims based upon infringement of another's copyright, trademark, trade dress or slogan. The amount of primary and secondary coverage shall be a minimum of Two Million Dollars (\$2,000,000) for each single occurrence, with a deductible or self-insured retention of no greater than \$10,000, unless prior written approval of a greater deductible amount is specifically provided by MLBPA.

Within thirty (30) days of execution of this Agreement, Licensee shall provide to the MLBPA current copies of the declaration of coverage sheet(s), the endorsement to the Policy naming the MLBPA and its members as additional insureds, and any additional insurance information reasonably requested by the MLBPA which may be necessary to determine whether the MLBPA is adequately named and covered in accordance with the terms of this Section 13. In addition, if at any time during the License Period and for one year thereafter MLBPA requests in writing a current copy of the Policy or Policies required herein (or any other documentation which MLBPA is entitled to receive under this Section 13), Licensee shall provide MLBPA with the requested documents within five (5) business days of receipt of such request.

The Policy shall provide for twenty (20) days' prior written notice to MLBPA from the insurer in the event of any modification, cancellation or termination of the Policy. If at any time during any License Period the Policy has been modified or altered in any manner, within 20 days thereof Licensee shall provide to MLBPA current copies as modified or altered of the declaration of coverage sheet and the endorsement to the Policy naming the MLBPA and its members as additional insureds.

Notwithstanding the foregoing, MLBPA acknowledges that Licensee will be utilizing, as resources to market, distribute, sell and administer the Licensed Products, third-party distribution partners; software, database and infrastructure experts, and customer service and fulfillment providers, and that Licensee presently envisions that at least the following companies, which MLBPA hereby approves, shall be providing or overseeing the provision of such services: Marketing Solutions, Inc., Promotion Marketing Systems, Inc., and Red Robot, Inc. (collectively, "Approved Vendors"). Licensee agrees that the Approved Vendors specified above, as well as any other entities which MLBPA accepts as Approved Vendors in the future, shall execute and return to MLBPA a document in the form annexed hereto as Schedule E.

18. POST-TERMINATION AND EXPIRATION RIGHTS AND OBLIGATIONS

(a) Upon termination of this Agreement, Licensee and its receivers, representatives, trustees, agents, administrators, successors and/or permitted assigns shall have no right to offer for sale, sell, advertise, promote and/or distribute Licensed Products or to use in any way the Rights, the Trademarks, or any Advertising and Promotional Material or Premium Products relating to the Licensed Products, except as specifically required by Sections 18(c) and (d) below.

(f) Licensee acknowledges that its failure to cease the offering for sale, sale, advertising, promotion and/or distribution of the Licensed Products and/or use in any way of the Advertising and Promotional Material and/or the Premium Products utilized in connection with the Licensed Products at the termination or expiration of this Agreement will result in immediate and irreparable damage to MLBPA and/or to the players and to the rights of other licensees of MLBPA. Licensee acknowledges and admits that there is no adequate remedy at law for failure to cease such activities and Licensee agrees that in the event of such failure, in addition to all other remedies available to it hereunder, MLBPA at its sole option may commence an action in any court having jurisdiction or an arbitration proceeding, and shall be entitled to equitable relief by way of injunctive relief and such other relief as any arbitrator(s) or court with jurisdiction may deem just and proper.

20. NOTICES

All notices or other communications required or desired to be sent to either party shall be in writing and sent by Registered or Certified Mail, postage prepaid, return receipt requested, or by facsimile or overnight delivery service, charges prepaid. Such notices, including facsimile, shall be effective on the date sent, provided that any notice sent by facsimile also shall be sent by regular mail. The addressees for MLBPA and Licensee shall be as set forth on Schedule B. Either party may change its address by notice in writing to the other party.

21. RELATIONSHIP OF THE PARTIES

This Agreement does not create a partnership or joint venture between the parties and neither party shall have any power to obligate or bind the other in any manner whatsoever.

22. APPLICABLE LAW

This Agreement is made within the State of New York and shall be construed in accordance with the laws of the United States and the State of New York. Licensee hereby expressly waives any right to the benefits of remedial legislation, if any, of Licensee's home state.

23. REMEDIES

(a) Except as otherwise provided herein, any dispute or disagreement between the parties hereto arising out of or relating to this Agreement shall be settled by final and binding arbitration, in New York City, under the Commercial Arbitration Rules then obtaining of the American Arbitration Association. The parties hereto expressly stipulate that the arbitrator(s) shall have full subpoena power and full powers to fashion appropriate remedies, including without limitation the power to grant equitable and/or injunctive and/or declaratory relief. Judgment upon the award may be entered in any court having jurisdiction.

(b) Licensee recognizes the unique nature of the Rights and the Trademarks, and the possibility that breaches of this Agreement by Licensee may require preliminary or extraordinary relief beyond that available in arbitration, and the possibility that breaches of this Agreement may involve third parties or witnesses or issues which are beyond the practical jurisdiction of arbitrators. Accordingly, notwithstanding the provisions of paragraph 23(a), MLBPA (but not Licensee) may, at its sole and exclusive option, elect as an alternative to arbitration to commence an action or proceeding in any court of competent jurisdiction to enforce this Agreement or protect the Rights and the Trademarks. MLBPA may also require the termination of a previously-commenced arbitration proceeding so as to permit a dispute between the parties to be resolved in an action or proceeding in a court of competent jurisdiction, so long as MLBPA has theretofore not waived its right to do so by taking substantial steps to prosecute or defend the arbitration proceeding.

24. CAPTIONS

The captions used in connection with the paragraphs and subparagraphs of this Agreement are inserted only for purpose of reference. Such captions shall not be deemed to govern, limit, modify or in any other manner affect the scope, meaning or intent of the provisions of this Agreement or any part thereof, nor shall such captions otherwise be given any legal effect.

25. CONFIDENTIALITY

Other than as may be required by any applicable law, governmental order or regulation or by order or decree of any court of competent jurisdiction, Licensee shall not publicly divulge or announce, or in any manner disclose to any third party, any of the specific terms and conditions of this Agreement, including without limitation amounts payable hereunder. MLBPA acknowledges that all of the information relating to the creation, authorship, production, manufacturing, advertising, marketing, sale and distribution of the Licensed Products by Licensee which Licensee is, or may be, required to provide to MLBPA under the terms and conditions of this Agreement and which is not publicly disclosed by Licensee is confidential commercial information, which is provided to MLBPA only to effectuate the purposes of this Agreement. MLBPA shall maintain such information on a need to know basis only and may not disclose any such information to any third party without Licensee's express written consent.

26. WAIVER

(a) No waiver by either party of a breach or a default hereunder shall be deemed a waiver by such party of a subsequent breach or default of a like or similar nature.

(b) Resort by either party to any remedies referred to in this Agreement or arising by reason of a breach of this Agreement by the other party shall not be construed as a waiver by such party of its right to resort to any and all other legal and equitable remedies available to it.

27. SURVIVAL OF THE RIGHTS

Any rights and obligations created by this Agreement and which by necessary implication continue after its expiration or termination shall survive such expiration or termination.

28. SEVERABILITY

In the event that any term or provision of this Agreement shall for any reason be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other term or provision, and this Agreement shall be interpreted and construed as if such term or provision, to the extent the same shall have been held to be invalid, illegal or unenforceable, had never been contained herein.

29. INTEGRATION

This Agreement represents the entire understanding between the parties hereto with respect to the subject matter hereof and supersedes all previous representations, understandings or agreements, oral or written, between the parties with respect to the subject matter hereof. This Agreement cannot be modified except by a written instrument signed by the parties hereto.

By their execution below, the parties hereto have agreed to all of the terms and conditions of this Agreement.

INTERNATIONAL ADDENDUM

1. In calculating "Net Sales" with respect to sales in any portion of the Licensed Territory outside the United States, there shall be no deduction made in connection with the transfer of funds or royalties or with the conversion of any currency into United States dollars.

2. If any tax is imposed on MLBPA by any foreign country with respect to any amount payable to MLBPA, Licensee shall compute and pay the amount due to MLBPA pursuant to this Agreement on the basis of the gross amount involved before the deduction of any taxes. If Licensee is required to withhold from any payment due to MLBPA an amount representing taxes imposed on MLBPA pursuant to the laws of any foreign country, Licensee shall nevertheless have the obligation to make up the amount of said tax in making its payment to MLBPA hereunder.

3. With respect to any countries in the Licensed Territory outside the United States, the statements provided to MLBPA pursuant to this Agreement shall be broken down by countries and all Net Sales shall be stated in U.S. currency provided Licensee furnishes representations and documentation that all international transactions are invoiced in U.S. dollars. If Licensee cannot provide MLBPA with the representation and documentation referenced above, then all Net Sales shall be stated in the currency of the country where they were made, followed by the equivalent amount for such Net Sales in United States currency, followed by the exchange rate applied. The rate of exchange shall be the actual rate of exchange prevailing on the last day of the month prior to the date on which payment is due to MLBPA. The parties agree to cooperate in facilitating the exportation of royalties by legal means from any country which imposes currency or other restrictions upon the payment of royalties; provided, however, that upon the request of MLBPA, Licensee agrees to deposit the full amount, or any portion, of any and all amounts due MLBPA, in United States or foreign currency, in an account within such country for the benefit of MLBPA as instructed by MLBPA. If several currencies are involved in any reporting category, that category shall be broken down by each such currency.

4. With respect to those countries which require applications to register Licensee as a Permitted User or Registered User of a trademark or trademarks used on or in connection with the rights granted under this Agreement, or which require the recordation of this Agreement, Licensee agrees to execute and deliver to MLBPA such applications, agreements, or other documents as may be necessary and as are furnished by MLBPA for such purposes. In the event such agreements are entered into between MLBPA and Licensee, this Agreement rather than such agreements will govern any disputes between MLBPA and Licensee and in the event that this Agreement is terminated for any reason, any such Registered User or Permitted User agreements also shall be deemed to be terminated.

5. It shall be Licensee's sole responsibility at its expense to obtain all approvals of any foreign authorities which may be necessary in connection with Licensee's performance under this Agreement in such portion(s) of the Licensed Territory. Licensee shall take whatever steps may be reasonably required to effect the remission of funds from abroad; to minimize or eliminate the incidence of foreign taxes, fees, or assessments which may be imposed; to protect its investments in foreign territories; to enable it to commence or continue doing business in any foreign territory; and to comply in any and all respects with all applicable laws and regulations.
